

Customer Success Story: Hawk's Landing Country Club

CHALLENGES:

- ▶ Communication and collaboration with remote employees.
- ▶ Minimal office space with little room for disorganization.
- ▶ Overcomplicated processes and efficient workflows.
- ▶ Inflated personnel costs.

USE CASE:

- ▶ Implemented Neat to easily eliminate excess paper documents and create a paperless business.
- ▶ Utilized Neat's collaboration features to allow staff to work remotely and still access documents anywhere, anytime.
- ▶ Leaned on Neat's organizational capabilities to monitor status of financial documents.

RESULTS:

- ▶ Eliminated a job role and alleviated the need for an office expansion.
- ▶ A better overall understanding of individual job functions and expectations.
- ▶ Created a more transparent and effective business environment.

TESTIMONIALS:

- ▶ "Neat has allowed our business to run smoother, with little need for extra office space, and even allowed us to eliminate a position."
- ▶ "With most of our employees working remotely and part-time, Neat enables us to collaborate on the same documents."
